Defence, Space & Security

Center for Defence, Space & Security (CenSec) is the national Danish cluster organisation for stakeholders within the defence, space and security industries. CenSec has around 175 members consisting of Danish and international SMEs, larger enterprises, knowledge institutions and research and technology organisations. CenSec's members collaborate, innovate, and deliver products, services, and knowledge to the value chains of the defence, space and security sectors. Through a growing network and international ecosystem, CenSec assists its members in building business, including expanding market knowledge, competencies and education, as well as innovation and growth.

Additionally, CenSec works with prime contractors, system integrators, Ministry of Defense procurement, logistic and repair agencies etc. to identify, develop and recommend appropriate supplier and sub-contractor capability.

In October 2020, CenSec was appointed by the Danish Ministry of Higher Education and Science to be the national Danish cluster for defence, space and security in the 4-year period from 2021-2024.
