AEDCP - Portuguese Aeronautics, Space and Defence Cluster

Lisbon / Cluster

Advanced materials, Aeronautics, Aerospace, Cybersecurity, Maritime, Naval

AED Cluster Portugal represents the national Aeronautics, Space and Defence industries. Created in 2016, it is a non-profit association that involves Portuguese entities, from SMEs to big companies, research centers and academia), sharing synergies in multiple domains.

Bringing together the main stakeholders of the three mentioned sectors, AED Cluster Portugal positions itself as an entry point and one-stop-shop for all national and international players, with a clear mission to promote the development and consolidation of Portugal as an international reference in the global Aeronautics, Space and Defence markets.
